Southern Region EOC

Normal Operations

Emergency Management Assistance Compact resources provided by Cal OES

In support of Hurricane Florence, Cal OES provided resources to the States of Virginia and South Carolina under the Emergency Management Assistance Compact (EMAC).

- Below are the corresponding mission numbers:
 - 2018-SOC-51783: Cal OES personnel providing State EOC support
 - 2018-SOC-51829: San Joaquin and Stanislaus Counties to provide Mental Health support at shelters in North Carolina
- Cal OES continues to work with the impacted states to determine additional resource needs.

Cal OES INLAND REGION

- See Fire Activity Slides.

Cal OES COASTAL REGION

Salesforce's Dreamforce Convention, San Francisco, San Francisco County

Salesforce's Dreamforce Convention will be held 09/24/18 to 09/26/18 at Moscone Center and Civic Center Plaza in San Francisco, San Francisco County, 170,000 people are estimated to attend, expect severe traffic and major delays in the downtown area with multiple street closures.

- See [Weather of Concern Slides](#).

Cal OES SOUTHERN REGION

- Nothing significant to report.

SITUATION SUMMARY

Cal OES SOUTHERN REGION (Continued)

Virulent Newcastle Disease (VND) in Backyard Poultry and Avian in Los Angeles, San Bernardino, and Riverside Counties

The California Department of Food and Agriculture (CDFA) has detected Virulent Newcastle Disease (VND) in chickens in Los Angeles, San Bernardino, and Riverside Counties.

- On 08/15/18, CDFA and the United States Department of Agriculture (USDA) Animal and Plant Health Inspection Service (APHIS) have confirmed VND in a single backyard flock of exhibition chickens in the City of Santa Paula, Ventura County.

Declaration

- On 06/26/18 at 1840 hours, CDFA has declared an Agricultural Emergency to provide the department the authority to activate internal emergency provisions and to expedite the request for permits and waivers required to perform designated activities under an emergency basis.

Quarantine

- The CDFA State Veterinarian has established an animal (defined poultry species) and animal products quarantine in designated disease control areas in the counties of San Bernardino and Riverside. The quarantine is effective Monday, 07/09/18.
 - On 07/26/18, the unincorporated community of Mentone was released from the control zone.
 - On 07/30/18, the City of Highland was released from the control zone.
 - On 08/05/18, the City of Fontana was released from the control zone.
 - On 08/20/18, the City of Rialto was released from the control zone.
 - On 09/01/18, the unincorporated area of Bloomington was released from the control zone.
 - On 09/20/18, the city of Santa Paula was released from the control zone.
- Effective 08/14/18, The CDFA State Veterinarian-Director has established an additional animal (defined poultry species) and animal products area quarantine (VND2) in designated disease control areas in the counties of Los Angeles County (cities of Compton and El Monte), and San Bernardino County (City of Chino).

Activations

- San Bernardino Operational Area (OA) EOC is activated to Level 3 (lowest level) and will continue to monitor the incident.

Deployments

- 1 Cal OES Southern Region Senior Emergency Services Coordinator (ESC) is deployed to the ICP as an Agency Representative (AREP). Operational Period of 0700-1900 hours.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 3	Preparedness Level 3	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Preposition of Cal OES and Local Government Resources for Red Flag Warning event

Cal OES Fire and Rescue staff are coordinating with local Operational Areas (counties) to preposition fire apparatus and personnel to augment local resources in preparation for the current Red Flag fire weather event. Staffing began the evening of 09/24/18, and will be evaluated every 12 hours and extended as necessary until conclusion of the weather event/need.

- The following resources have been requested by the local Op Areas and approved via the California State Mutual Aid Pre-Incident Preparedness Guidelines.
 - Contra Costa Op Area - 1 Type 3 OES Strike Team, 1 Water Tender, 1 Dispatcher
 - Marin Op Area – 1 Type-3 Engine Strike Team, 1 Water Tender, 1 Dispatcher
 - Alameda Op Area - 1 Dispatcher
 - Sonoma Op Area - 1 Strike Team (Local Government), 1 Water Tender, 1 Dispatcher
 - Lake County Op Area - 1 Task Force (4 Local Government engines with 1 OES Water Tender)

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

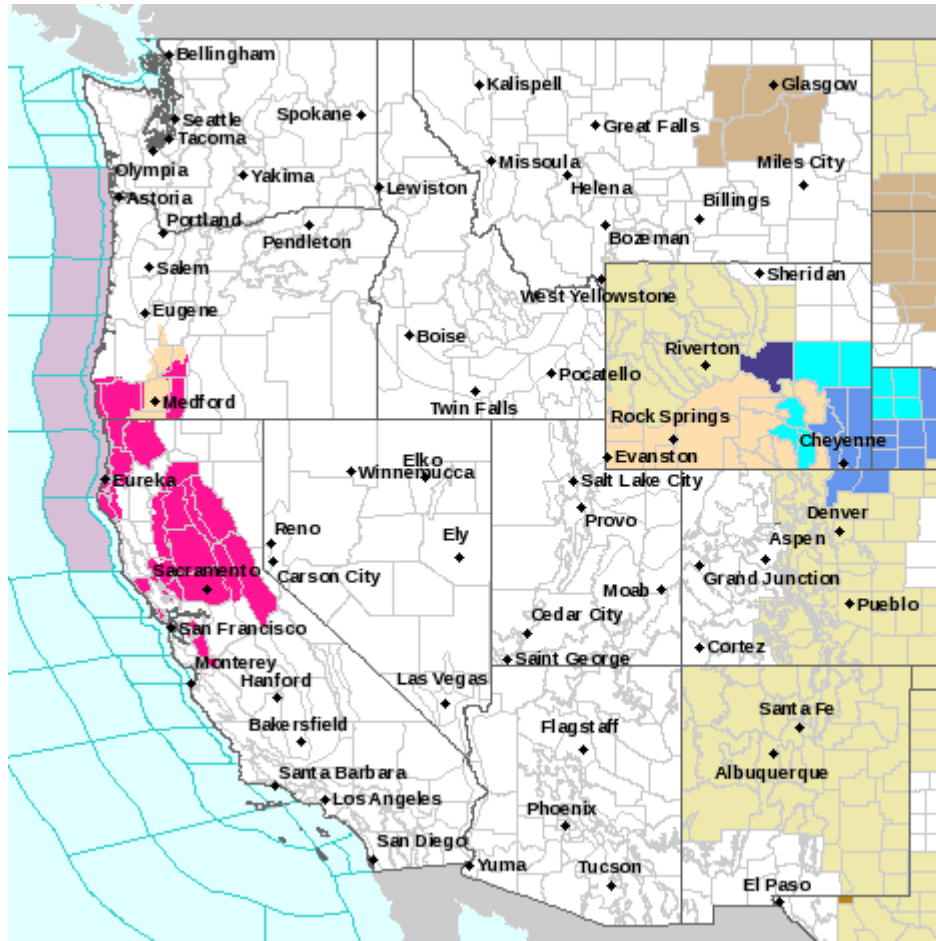

- *** High Risk for gusty wind and low relative humidity (RH) through Tuesday midday Sacramento Valley-Foothills, NW Mountains and west slopes of the Northern Sierra***
- *** Very dry and warm airmass most areas, including large portions of the North Coast, through midweek ***
- High pressure over Northern California this week, then Pacific low approaches coast Fri and passes through the region this weekend, more troughing early next week
- N to E wind gusts mostly 20-25 mph this morning eastern Del Norte County/west slopes Northern Sierra/Sacramento Valley/foothills, becoming lighter this afternoon/increasing again this evening for much of that area, locally stronger gusts overnight
- Much lighter winds Wednesday, then winds becoming southerly/increasing Friday
- Very dry airmass this week, very poor to poor overnight RH recovery (<20%) not unusual across the region, some RH increase this weekend into early next week
- No precipitation through Fri, some light rain possible NW corner of state Saturday/Sunday, possibly eastern mountains Monday
- Afternoon high temperatures above normal through the end of the week, Wednesday warmest with 95-100 warmest inland areas that day

SOUTHERN CALIFORNIA

- High pressure will bring sunnier and warmer weather today through Thursday, but another trough will generate cooler weather this weekend.
- Much warmer weather will develop through midweek. Highs will climb 5-10 degrees today, and by Wednesday and Thursday, most valleys will reach the 95-100 degree range.
- Light offshore winds of 10-15 mph will be possible late tonight into Wednesday morning, mainly from Los Angeles County southward.
- Minimum humidity will drop into the single digits from the valleys to the mountains below 6,000 feet Wednesday and Thursday.
- Onshore, southwest winds of 20-30 mph with gusts approaching 50 mph will be possible in and near the desert Friday into the weekend.
- Below normal temperatures expected both Saturday and Sunday with widespread marine layer stratus developing.
